WORK EXPEIENCE

Senior Software Developer
illumine Technology Inc

06/2025 - Present   *Bengaluru, India*

Illumine is an early learning and childcare software provider streamlining operations for schools in 50+ countries.

Achievements/Tasks
- Designed a user approval workflow with session expiry automation through **Google Cloud Tasks.**
- Restructured the invoicing module to handle complex billing cases with multiple payers per invoice and subsidy management.
- Developed a real-time, user-specific **billing ledger** leveraging **SQL and Cloud Tasks** for seamless financial tracking.

Software Developer
illumine Technology Inc

07/2023 - 06/2025   *Bengaluru, India*

Achievements/Tasks
- Implemented the Frontend for the new **EYFS module** which involved working with complex designs.
- Integrated **WhatsApp** into the Leads module using **Netcore Meta API's**. Implemented both backend and frontend.
- Integrated **Xero Accounting Software** in the Illumine Invoicing Module using Xero Accounting API's for realtime syncing of data from illumine to Xero.
- Worked on **full stack** features such as creating a **common school calendar** to track all the events or holidays.Introduced **Voice notes** in messaging module and created a complete **new UI** for parent the communication module.
- Tech stack used for frontend **React with Redux** and **Node.js** for backend.

ASE Intern
Tekion Corp

01/2023 - 06/2023   *Bangalore*

Underwent 6 month Internship Program and worked on a live project based on React.js and Storybook.

Achievements/Tasks
- Completed a series of tasks which required to create new react components to be used at **Tekion Universal Component Library** and tested them on **Storybook** tool.
- Developed skills **React** and **Redux.**
